

Old Camdenians Reunion Lunch

Friday October 25 2019

We are yet again holding the price

£30

For a multi course lunch with a free bar

Sip a glass of wine, a beer or cold drink as you chat to old friends
before the AGM and after your school tour.

Dine with wine on the table throughout the meal.

How does George Ives manage this?

There are a few reasons but one key one is that the wine has been
sourced from France with an Old Camdenian making the journey to
Calais.

We need someone to undertake the trip for us and we
seek a volunteer.

If anyone is heading that way or can make a special trip
then please contact George
